of Mah. XV of
2018.

18. In section 37 of the principal Act, in sub-section (2), in clause (a), after the words “Chief Electrical Inspector,” the words “Superintending Engineer,” shall be inserted.

STATEMENT OF OBJECTS AND REASONS

The Maharashtra Lifts, Escalators and Moving Walks Act, 2017 (Mah. XV of 2018) is enacted to provide for the regulation of the construction, erection, maintenance and safe working of all classes of lifts, escalators, moving walks and all machinery and apparatus pertaining thereto in the State of Maharashtra and for matters connected therewith or incidental thereto.

2. The Chief Electrical Inspector is vested with a power to grant the license for working or using of lift, escalators and moving walks for the entire State of Maharashtra and to suspend or cancels such licenses in cases of contravention of provisions of the said Act and rules made thereunder. Sub-section (2) of section 3 of the said Act further provides that the Chief Electrical Inspector may also exercise the powers of the Electrical Inspector (lifts) throughout the State.

Due to increase in the number of installation of lifts, escalators and moving walks in the State, the office of the Chief Electrical Inspector is overburdened. It is necessary to provide the services of granting licenses for working or using of lift, escalators and moving walks at regional level to ensure efficiency in public services. Therefore, the Government considered it necessary to authorize the Superintending Engineers at regional levels to undertake the function of granting licenses within the area of their jurisdictions.

3. The Electrical Inspectors (Lifts) is vested with the power of inspection of lifts, escalators and moving walks, before granting of licenses and its periodical inspection for the entire State of Maharashtra. As the meticulous inspection of lift, escalators and moving walks is crucial for public safety, it is necessary to provide inspection services in timely manner. Therefore, the Government considered it necessary to authorize Electrical Inspectors at each district or Inspection division, as the case may be with the power of inspection of lifts, escalators and moving walks before granting licenses and its periodical inspection within their respective jurisdiction. For the above purposes, it is considered expedient to amend the Maharashtra Lifts, Escalators and Moving Walks Act, 2017, suitably.

4. The opportunity is also taken to make consequential amendments to substitute the reference of the Indian Penal Code (45 of 1860) and the factories Act, 1948 (63 of 1948) with the Bharatiya Nyaya Sanhita, 2023 (45 of 2023) and the Occupational Safety, Health and Working Conditions Code, 2020 (37 of 2020), respectively.

5. The Bill seeks to achieve the above objectives.

Mumbai,
dated the 28th February 2026.

DEVENDRA FADNAVIS,
Chief Minister.

MEMORANDUM REGARDING DELEGATED LEGISLATION

The Bill involves the following proposal for delegation of legislative power, namely:—

Clause 1(2).— Under this clause, power is taken to the State Government to appoint, by notification in the *Official Gazette*, the date on which the Act shall come into force.

2. The above-mentioned proposal for delegation of legislative power is of a normal character.
