

NOTICE

Advocates and parties in person are to take note of the following directions pertaining to the Division Bench of Hon'ble Mr. GS Patel and Hon'ble Mr. Justice SG Dige with immediate effect :

1. It is found that Advocates are obtaining circulation listings on an undertaking to remove office objections. When the matter is called, these office objections are in fact not removed. All are put to notice that if office objections are not removed by the time the matter is called, any order passed will not be uploaded or made available until the office objection are removed.

2. It is also found that under the present system, many Advocates are obtaining priority listing under the caption of "directions" but to seek an order on merits. A listing for directions is for routine purposes and not for a disposal on merits. If it is found that cases are being deliberately got listed under the "directions" caption thus trying to get a listing higher on the board, then matters will simply be adjourned to come up as per CIS or, without notice, directions matters will be taken up at the end of the board. In addition, costs may be imposed.
