

NOTICE

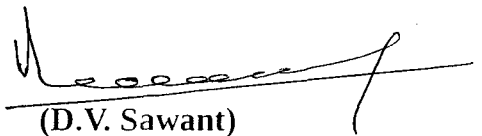

The Case Management Information System is functional for the ready information of pending matters. It has features of Advocate Code, E-Mail generation and SMS alerts. The value added services of Case Management Information System are beneficial and need to be utilised to its full potential.

All the Advocates/Litigants are hereby requested to provide their "E-Mail-ID and Mobile Numbers" to the Registry at the time of filing of matters or in the pending matters including application for Certified Copy, if not provided earlier, so that it can provide the following value added services :

1. Informing office objections in their matters.
2. Giving SMS alerts before their matters are called out.
3. Information regarding status of application of Certified Copy.
4. Providing any other service through the use of information and communication technology as may be introduced.

24th July, 2013.
