

NOTICE

Advocates and parties-in-person are requested to note the following directions issued by the Division Bench of GS Patel and Kamal Khata JJ:

- I. Despite notices, orders and reminders in Court and even a printed notice available in Court as well as a system for auto listing within four days of freshly filed Petitions being finally numbered, with office objections removed, it is found that Advocates persist in mentioning matters for out of turn dates, higher listing priority, etc.
- II. All are put to notice that the Bench will not even consider any such applications for priority listing and will immediately start imposing costs if any such application mentioned despite this notice.
- III. MENTIONING IS PERMITTED ONLY FOR URGENT PRODUCTION ON THE VERY DAY, WITH SUCH URGENCY BEING MADE OUT.
- IV. All Petitions that are all on a lodging number but where an ad-interim relief is being granted and pertaining to the roster assignment of this Bench, such objections are to be removed, Petitions are to be numbered no later than by 4th March 2024, failing which all Petitions will stand rejected and all ad-interim orders will stand automatically vacated without reference to the Court.

By order.
